MEMORANDUM FOR: Director of Security

THROUGH:

DDI Security Officer

STAT

FROM:

David B. Low  
National Intelligence Officer for Economics and  
Acting National Intelligence Officer at Large

SUBJECT:

Request for White House Pass

1. As I attend many important, high-level meetings at the White House, I have an urgent need at this time for a White House pass.

2. I have just recently been appointed National Intelligence Officer for Economics by Mr. Casey, a position that requires attendance at many Cabinet-level meetings, often on short notice. There are often two to three meetings a week held at the White House on various economic subjects (a total of well over 100 times a year). I also attend many informal meetings and have contacts with a large number of White House personnel in my role as Acting National Intelligence Officer at Large with responsibility for nuclear proliferation and chemical and biological warfare.

3. This request is of highest priority in order for me to carry out my responsibilities to the Director of Central Intelligence.

David B. Low
